Offshore Chartering Manager – UAE

Description

Job Summary:

We are hiring an experienced Offshore Chartering Manager to lead offshore vessel chartering operations. You will oversee high-value offshore contracts, primarily in the oil & gas sector.

Responsibilities

- Lead offshore chartering activities including PSVs, AHTSs, and other offshore vessels.
- Build and manage relationships with oil companies and offshore contractors.
- Ensure compliance with charter party requirements and maritime regulations.
- Supervise chartering team and coordinate with technical and legal departments.

Qualifications

- 5–8 years in offshore chartering, with leadership experience.
- Solid understanding of offshore operations and contract management.
- Strong network in the offshore marine market.
